TOTAL SQAURE FOOTAGE- MAIN FLOOR = 27,240

Waterfall Place will be the home of Beautiful Souls Ministries. The first floor will house our offices, rooms for our seven programs (see enclosed brochure), the gathering room, the daycare, the fellowship hall, a commerical kitchen, and the ladies boutique. We hope to also give an opportunity in our community for a safe, caring and economical place to have weddings, bridal/baby showers, birthday/anniversary celebrations, women's / men's conferences, concerts/hymn sings, ladies teas, bible studies and more. We fully embrace the responsibility that God has placed before us to faithfully build meaningful, lasting relationships with these precious souls both locally in our wonderful community and around the world with missionaries and military. We hope to provide a comfortable, safe, loving enviroment for all who walk through our doors.
